**MiB and Gantz Waiting Room
are looking for a
Japanese->English translator
willing to work on Desert Punk.**

Translator we have will only be able to translate up to
volume 13 so volumes 14, 15 and 16 will remain
untranslated unless there's someone willing to help. We
have editors and raw files but we lack the most important
person in a scanlation team, i.e. a translator.

You can contact us by using the links above.
